However, Fixed asset register, books of accounts upto 2017-18 and various supporting documents have not been provided. To that effect, the RP has already communicated with the Court Observer. Further, hand-over of the Kandivali plot was completed. As suspended management has not yet handed over the Fixed Assets register, depreciation working for previous year and for first quarter of the FY 2020-21, exact

Accordingly, depreciation amount for the quarter ended September 2020 is assumed to be equal to depreciation amount for the quarter ended June 2020. The above Standalone & Consolidated Financial Results of the Company have been reviewed by the Resolution Professional Committee (in lieu of the Suspended board of Directors) held on 13th November, 2020. The above unaudited financial result has been reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on 10th November, 2020

The Statutory Auditors of the company have carried out a Limited Review of the aforesaid results.

The company had invested huge resources in developing technology, infrastructure, marketing, promotions, business process and fulfillment services till FY 2016-17 in order to expand its Internet Retail business and its customer base. Since it was an innovative process of Retailing where the company orchestrates 3rd party physical retail stores (largely Mom & Pop stores) with virtual inventory, the busines model needed continuous investments till it reaches the breakeven point and turns profitable. In March 2017, the company, was classified into the Graded Surveillance Measure (GSM) list by BSE. The criteria for classifying the company into GSM was never communicated to us. The impact of classifying the company in GSM by BSE had led to trading restrictions in the scrip of the company and consequently, it led to a complete 'roadblock' in terms of raising additional capital from new investors. Thus, a new fund raising became almost impossible. In failing to raise fresh capital for its Internet Retail business, the company has suspended the operation wef April, 2017 till the funds are raised. The company is exploring various opportnities and partnerships in order to revive its Internet Retail activities. Acquisition process of Citicycle India Pvt. Limited and making it as 100% subsidiary of the company is under process as per th Memorandum of Understanding sigend with the company and its promoters. The target company needs

and conditions, precedent to such event. Covid-19 has further delayed the project implementation.

Upon the recommendation of the Audit Committee towards financial rehabilitation of the company, subject to the approval of the member and other regulatory authorities, the Board recommended & approved the reduction of capital of the company by way of reducing the presen face value of Rs. 4 (Rs. FOUR) each share to Re. 1 (Re. ONE) which shall result in reduction of capital by Rs. 639 lacs. The effect of the same however, shall be given in the financial statement only upon obtaining all the required approvals from the members and regulatory authorities. The scheme of financial rehabilitation is under review based on the development in the recent past and shall be revised base

on the overall business conditions. The company is constantly monitoring the impact of COVID-19 in revival of its operations and taking necessary steps to deal with the same The loss on account of delay in implementing the project is not ascertainable at this stage.
