Sub: - Resignation Letter

Respected Sirs,

I hereby submit my resignation with reference to our personal discussion held in recent meeting where I have discussed about my intention to resign from the position of AVP – Finance & Accounts and CFO of Sri Adhikari Brothers Television Network Ltd. with immediate effect. I will be serving my notice period of 30 days, hence my last working day will be 9th November 2017.

I feel my association with the Company over the past 6 years has been a good one and I will certainly miss the many colleagues and associates I have worked with here. However, due to my personal reasons, I have decided to quit from my current position.

I am very grateful of the opportunities I have been given during my time with your company, as well as your professional guidance and support. It was pleasure working under the guidance and support extended by you.

I trust that you will have a friendly and understanding attitude toward the termination of my long and pleasant association with SAB Group. I leave with the highest regard for you and the Company and it is my intent to assist you in making the transition as smooth as possible.

I request you to kindly accept this resignation with immediate effect and support me for the payment towards my full & final settlement at the earliest.

I wish you, the Board and the entire organization growth and success in the future.

Respectfully submitted,

Rakesh Gupta
